Public Meeting.

The I.O.O.F. hall was packed to the doors on Friday evening last, when addresses were given by Dr. Stewart, M.P.P., Mr. Leitchbridge, Nelson Spencer, P.T.A., Mr. John Dorher, and Mr. M.P.P. of Okotoks, upon various matters affecting this district and the province generally.

This is the first time that either of the above speakers had had an opportunity of addressing a Bow Island audience, and their appearance, therefore, was an interesting event for the town.

It may be remembered that the Conservative members of Alberta recently made a trip to Ottawa and interviewed the Dominion Government regarding various questions affecting the welfare of the Province.

All three of the above speakers referred to this visit and incidentally paid the officials of Ottawa some very nice compliments.

Dr. Stewart said that the Alberta party were greatly impressed with the work which was being done by the government, and they returned to Alberta with a supreme confidence in Mr. Borden, the Conservative premier.

Mr. Spencer stated that while at Ottawa he had taken up the matter with the Department of the Interior of getting a certain area around Bow Island set aside as a park for gas drilling purposes, and he was assured that at least four square miles would be reserved for this purpose.

After the public meeting, a banquet was tendered the speaker by the citizens of the town at the Maple Hotel, at which many fifty guests were present. This function was a very enjoyable affair, and reflected great credit on all concerned.

Oddfellows Elect Grand Officers.

Edmonton Secures the Grand Lodge for 1915.

The session of the Grand Lodge of Alberta convened at Medicine Hat on Wednesday with the chief business of the election of officers before them.

The following officers were elected: G.M.-Geo. Henderson, Calgary. D.G.M.-A. E. Cummings, Edmonton. G.W.-J. W. Miller, Camrose. G.S.-O. E. Tisdale, Calgary. G.T.-A. J. Adams, Calgary.

Representatives to Sovereign Grand Lodge: Two-year term-A. E. May, Edmonton; one-year term-R. Hill Fairley, P.M.M., Calgary.

Trustees of the Home Fund: Bros. Valentine and Little.

The results of the Grand Master, Grand Secretary and Grand Representative for the present term were read showing that the order had made substantial progress throughout the year.

An increase of 800 in the membership was noted, and there were 17 new lodges installed. The financial report also was satisfactory.

At the evening session the Winnifred degree team exemplified the Second Degree, and the MacLeod team, exemplified the Third Degree.

Tomorrow the Relephak assembly will meet and in the evening the degree team of Ruth Rebekah Lodge, No. 3, Medicine Hat, will give an exemplification of the Rebekah degree.

Weed Inspectors' Conventions.

The Department of Agriculture has made arrangements to hold three Weed Inspectors' Conventions at the following places and dates:-

Calgary, March 3rd and 4th.
Oils, March 5th and 6th.

Vernon, March 12th and 13th.

The railway transportation will be paid by the Agricultural Department for one Inspector or Delegate from each Rural Municipality or Local Improvement District, providing the Council of said District intend to control the weeds within their boundaries. All Government Inspectors will be responsible to attend.

Down South.

Marriages have been the order of the day since the opening of the New Year. J. M. Gibbons, the newly-elected secretary-treasurer of the Forty Mile Municipality, set his example, and among those who have followed on the matrimonial bazaar, Matt Fischer, John Dorher, and Bay Heide.

Bill Carlson and Jas. Gatz are giving a dance in the Selk Schoolroom on Friday night, and timely notice has been given that ragging or other silly if not to say objectionable, features of the pleasant pastime will be strictly prohibited there.

It is just as well to say right now that the soft-soaping young men of this district are fully determined to put a stop once and for all to these crazy innovations.

The weather here has been anything but cold since the 1st of January. However these few days are being cold, and it is hoped the cold spell is about over.

Notwithstanding the severity of the winter the school children kept up a steady attendance. It is certainly a healthy and encouraging sight to see delighted groups of youngsters emerging from their nests of robes at the school door, with the thermometer many degrees below zero.

The farmers of this locality should do so much in urging upon their representatives on the municipality the necessity of adopting the Saskatchewan method of half insurance, by which many thousands of dollars can be saved every year.

Mr. T. C. Thompson has struck a fine vein of very good coal in the Forty Mile Coulee, but has been obliged to suspend further mining operations, owing to the heavy snowfall.

Since their appointment the new Church Trustees have erected a large Cross in the Cemetery, and have also effected several necessary and decorative improvements in the Church.

Applications for assessors were received from Fred A. Thiel, Faith, and Orrs Bishop, Endon.

Gas Company Not Affected.

The Canada West Natural Gas and Light company need not fear that the proposed bill will not take place in regard to the scheme which was hatched some months ago to take over all gas wells in the Bow Island area, and also the gas wells in the Lethbridge area. Mr. J. G. Carson states that the gas company is safe as far as the bill is operating at present, but there are several leases in that gas producing field which have been granted by the company which claim gave the homesteaders, who filed on land between the Bow and Lethbridge, the mineral rights as well as the surface rights on the property filed on.

Mr. Varley claims that his assertions are correct and that the best legal advice has "reluctantly stated that he is correct." He states that the same thing is true about the bill, because it affects the gas leases and for a time it was thought that the Natural Gas company if it intended to retain control of its gas wells at Bow Island would file a bill to outright from the persons now holding the surface rights. Investigations however show that they have escaped.

Mr. Varley states that he does not know whether the matter is now being taken up by the government or not.—*Ogallala News-Telegram*.

Somewhere about twenty town lots have changed hands this week.

Won by Bow Island—Board or partial board, with room—Address, P.O. Box 148, Bow Island.

A. F. Dulmage, delegate to the Grand Lodge L.O.O.F. at Medicine Hat, has been returning home yesterday. He reports that the Lodge had a most successful session and that the attendance was good.

Bow Island has been well represented at Medicine Hat.

On Tuesday evening quite a number of Oddfellows visited the Grand Lodge in session there, and on Wednesday the Lodge, reinforced by an enthusiastic bunch of rollers, paid the city a visit.

**Preparing Land for
Grain Crops on
the Prairies.**

In view of the fact that every year brings to the North-west many new settlers who are unacquainted with the methods of preparing land for crop, and that the success or failure of a new settler often depends on the method used in the preparation of the land for his first crop, there has been issued by direction of the Honourable Martin Burrell, Minister of Agriculture, a bulletin on preparing land for grain crop on the prairies. This pamphlet of 23 pages, containing many instructive illustrations, was compiled by Mr. J. H. Gridiside, Agent, Director of Experimental Farms in a careful study of practical problems by Mr. Angus Mackay, who for twenty-six years was Superintendent of the Experimental Farm for South-eastern Saskatchewan.

Some valuable points are also given as to the breaking and later treatment of land by the Superintendents of the Experiment Stations at Scott, Saskatchewan, Lethbridge and Lacombe, and Alberta and Brandon, Manitoba.

This bulletin, No. 15 of the Second Series of Experimental Farm, is intended for those who are directly interested in the subject treated and to all such, upon receipt of application a copy will be mailed by the Publications Branch, Department of Agriculture, Ottawa.

Twelve pews have been installed this week in All Saints' Church, replacing the chairs hitherto in use there. The new seating largely increases the accommodation and adds considerably to the general appearance of the church's interior. The pews will be used for the first time on Sunday evening next.
